# 五、教學省思:

活動名稱	教學省思
鄒族舞蹈	<ul> <li>Students like to watch the videos. But they can not dance very well.</li> <li>We learned 5 steps of Tsou dance. The students chose 3 steps in the show. Most students chose the easy steps.</li> </ul>
Body Percussion	<ul> <li>It is easier for students to do the body percussion.'</li> <li>Although the slides are not easy, students can answer the questions together.</li> <li>It is bot easy for students to change the formation easily. We have to set the same rhythm type for students to hit different parts in the show. Then they can focus on the formations.</li> </ul>
日本傳統舞蹈	<ul> <li>Students like to watch the videos. They enjoy the films time very much.</li> <li>It is not easy for students to do traditional dance. In order for students to complete the activity, they can use some modern dance in the show.</li> </ul>
藏族舞蹈	<ul> <li>Some students are embarrassed to dance on the stage.</li> <li>In the course, students like to watch videos of Tibetan introduction and dance.</li> <li>Through this course, students have the opportunity to be exposed to different cultures and dances.</li> </ul>
