# Introduction

- Today we are going to learn the “Paper Theater”.
- There are 10 pieces of paper in your group.
- You can fold the paper or roll it, But you cannot tear or tape the paper.
- Tell a story with the paper.
- The paper theater is similar to the puppet show.
- The paper is the actor.
- Please work as a team.
- Everyone takes one piece of paper at least.
- When the story goes on, remember to move the paper or paper puppet.

# FEEDBACK

- Students like to knead the paper into a ball that it looks like a stress-relief activity.
- Impromptu storytelling is not an easy task.
- It is harder for the audiences to see the paper puppets during the performance because they are too small.
