

20210510-11 Sculptors and Statues

嘉大附小六年級表演藝術沉浸式英語
陳佳萍 陳俞璇 方瑞貞 李婉容

Introduction

- Today we are going to be the sculptors. Please work as a pair. One person is the sculptor, and another one works as a statue.
- The sculptor has to move and set the other person's hands, arms, fingers and head. Please sit on the floor when the sculptor finished the work.
- Then the statue has to do the rotation. Remember to spin slowly. Please spin like a music box.

Feedback

Feedback

- In order to calm and slow down the students. We design the statue dance for the class.
- Most students can do the work better. The students have to learn to stretch their arms more confidence.
- Students stand in front of the class and share their opinions to improve their presentation skills.
