The background of the slide is a blue-tinted collage. At the top, there's a financial chart with columns of numbers and some text like 'TRADED STOCK' and 'CHANGE'. Below that, the word 'Economi' is partially visible. In the lower-left corner, there's a newspaper with the word 'NEWS' in large letters and a small bar chart with four colored bars (red, blue, green, yellow). A silver pen is lying diagonally across the bottom left of the newspaper.

Feedback

- The students in Grade 6B and 6A did the great job because they learn seriously.
- I found that students often lose their way on the stage. After practicing blocking this time, I hope that the students will have the sense of the blocking.
