#### **EMPATHY**

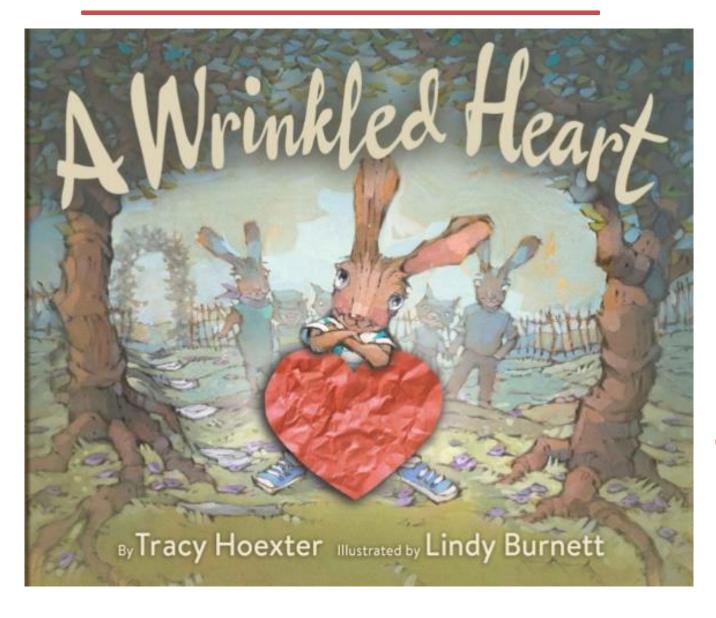

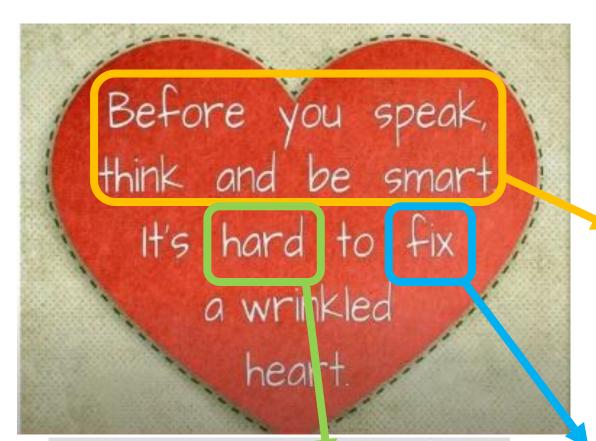

## **A Wrinkled Heart**

When Elliott got off the bus, his mother was waiting there for him with a big smile.

I'm sorry I hurt
your feelings this
morning. You're a
good boy to do so
many things by
yourself.

She hugged him and said, "Elliott, OVE YOU!
I'm sorry I hurt your feelings this morning.
You're a good boy to do so many things by yourself, and I'm proud of you. Please forgive me."

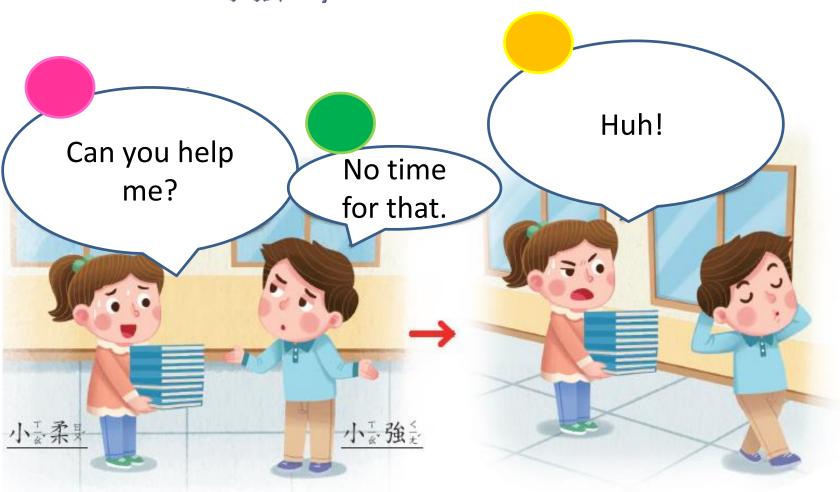

Just then, Marcie came over and said,
"I'm sorry I was mean. Your painting was really nice. I was just mad
because it was better than mine. Hey, would you like my apple?"
